CÔTES DU RHÔNE ROSÉ

50% GRENACHE - 50 % CINSAULT 2024

12.5% vol.

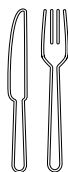

The Ventajol Côtes du Rhône rosé, from the estate's main range, reflects a continued commitment to creating supple, fruity, and approachable wines.

This wine, with its pale and inviting color, expresses itself on the palate through notes of freshly picked red berries and a refreshing, light acidity.

Grown on the hillsides of the commune on clay-limestone soil with low yields (40 hl/ha maximum).

Obtained by direct pressing and low-temperature fermentation in stainless steel tanks.

From aperitif time, at a temperature of 8°, it can also be enjoyed at the table with grilled meats, summer salads and grilled vegetables.
