2024

14% vol.

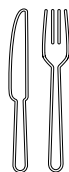

The Ventajol Côtes du Rhône Villages Cuvée is none other than the big brother of our Côtes du Rhône, with more body, more structure, and more power! The quintessential Côtes du Rhône for pairing with a meal.

This garnet-hued wine is characterized by silky, generous tannins and a beautiful, lingering finish. It reveals aromas of red fruit (Burlat cherry) and gray fruit (blackberry).

Grown on the hillsides of the commune on a soil of rolled pebbles for a yield of approximately 35 hl/ha.

Winemaking in concrete tanks takes longer (approximately 30 days).

At room temperature, this wine will appeal to lovers of powerful, generous, and well-rounded Côtes du Rhône wines that are not too alcoholic. It pairs well with dishes in sauce, game, or a good cheese platter.
