CÔTES DU RHÔNE VILLAGES

90% SYRAH - 10% GRENACHE

14% vol.

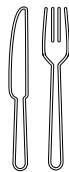

This Ventajol Côtes du Rhône Villages Cuvée, aged in oak barrels, is the estate's "Prestige" cuvée. Ready to drink now, it will also age gracefully for 5 to 10 years in the cellar.

This wine, aged in demi-muids (600-liter barrels) used for several vintages, reveals a rich and intense Syrah with velvety tannins. Its woody aromas of grey fruit and leather underscore the generosity of the terroir. The oak barrels impart suppleness and roundness without the vanilla notes sometimes associated with oak.

Grown on the hillsides of the commune on clay-limestone soil and yields of approximately 35hl/ha.

The winemaking process in 550L barrels lasts approximately 6 months.

Rich and generous, it pairs perfectly with a fine cut of Aubrac beef and its aligot, bull stew, and wild boar fricassee. Decant 30 minutes before serving for maximum enjoyment.
